On behalf of the Overseas Basing Commission, I would like to express my thanks to you and your outstanding staff for the highly professional work on creating and maintaining the Overseas Basing Commission's excellent web site.

Your company's time and resources helped to develop a web site we can be proud of; a place where the public may readily access key information about the Commission and its efforts. Should you ever need to get in touch with members of the Commission or staff, please feel free to contact me at the following address and phone number, as I would be pleased to speak with you and say "*thank you*" in person.
